“ I met Juanita at the Air Guard, she and I became friends. She and Christopher(son) spent some time at my home, with my family. We often shared a room on deployments, an she was a great roommate. Juanita was a wonderful person, and every one liked her. I did not keep in contact with Juanita after retirement, but thought of her often. I did not know that she was ill again, and was shocked when I learned of her demise. Family, I know that she will be eternally missed. I just want you to know that you have my deepest sympathy. May God keep you lifted up, and know that her spirit will go with you forever. Patricia Smith CES Retired.
