“ My best bud Judy, I will miss her every day. Judy was an amazing lady. We had so many wonderful times together scrapbooking, having lunches, going to movies, or just hanging out at her house with her beloved furbabies. She was more like a sister to me. Her smile was beautiful, she was sassy and never afraid to speak her mind and i loved her for that. She so loved Bill and adored her sons and something she she had longed for so long, finally, a Grandchild. Griffin was a blessing to her. She loved full family vacations that included her sister, brothers, nieces and nephews. And last, but not least, she loved her furbabies. I will miss her love for life but I will honor her by celebrating her life every day. Rest in peace my dearest friend.
