

## Judy Diane Fluhr

January 28, 1962 - January 9, 2025

With warm hearts, and in the grasp of the hands of her loving husband and children at her side, Judy Diane Fluhr sadly passed away peacefully at the age of 62 in Clearwater, FL on Thursday afternoon January 9th, 2025, after fighting multiple health issues.

Judy was born January 28th, 1962, in Louisville, KY to Richard and Lucille Hamilton. She was a devoted wife, companion, and partner for over 43 years, and a loving mother and grandmother. Judy's love was the definition of unconditional love, the truest and purest love, with a heart of solid gold.

Judy set the bar when it came to hard work and determination. She worked for the VA Hospital in Louisville, KY for 22 years and she found enormous joy in her work and loved serving our U.S. Military Veterans. Judy enjoyed the beach and watching sunsets as it lit the sky aflame with color crossing below the horizon. Judy also loved playing bingo, listening to music, traveling, attending live events, and cooking meals for her family and friends.

Judy is survived by her beloved Yorkie, Zoey, her loving husband Scott, her daughter Kisha, her sons Scotty (Peggy) and Chase (Nicole), two beautiful and angelic granddaughters Karoline and Raeley, her three sisters Mary, Debbie, Delores, and many nieces and nephews.

Judy is preceded in death by her father, Richard Hamilton, her mother Lucille Barr, her sister Ethel Hild, and her mother-in-law's Judy Fluhr Tyree and Betty Fluhr.

“ From the first day I met Judy until the last - she welcomed me into her home and family with open arms and love. Judy brought me into her heart and accepted me, Taylor, and Beau as part of the family. From a regular get together to a family celebration. I witnessed time and time again the love she had for her family and friends and the impact she had on everyone around her. Judy would go out of her way to make sure that anyone she loved knew she loved them and that was proud of us. She had a way of making everyone feel welcome whether through her home cooked meals, advice, or just her presence. I have so many memories of days spent on the beach reading, talking, or watching Scott fish. One of my favorite memories was watching Judy and her sister sliding down a huge inflatable slide one night after dinner in Clearwater. The smile she had on her face and the joy of being silly. Chase always had a way to bring a beautiful smile to her face. She will live on in the countless lives she touched. We will all miss her dearly and forever cherish her in our hearts.

“ It is hard to put my feelings into words, but I just want to say that my dear friend was such an example for me. She handled hardships with dignity and grace, like nothing I have ever seen. During better times we had so much fun together, talking, laughing, shopping, sharing secrets and just being mischievous. She loved her family and her doggie with a passion. I am so grateful to have been part of her life and to call her "friend". To say I will miss her is an understatement. I will miss visiting with her during her visits to Florida and just knowing she was always just a text away. I take comfort in knowing she is now at peace, but will miss her so very much. I love you beautiful!!

“ My mother in law took me day 1 and always treated me like family. It was easy to fall in love with Judy. I learned so much from her. She made me a better wife, mother, and person overall. Her deep love and care for others inspired me to be more. When Scotty and I married she gained not just a daughter in law but became an instant grandma. Remembering Karoline and Grandma Judy dancing in the living room, I can still hear them singing "Joey" from Sugarland from the top of their lungs. Her heart grew even more when little Raeley entered the picture. The Friday before she passed, Raeley talked her ear off in the car on our way to go on the annual Christmas shopping spree. Rae loves to shop and it tickled grandma to see her browse around. We had an awesome last weekend with her, memories we will hold on forever.
