“ *Judy will be missed so! She already is. One of my memories with Judy is we would start laughing about something that was funny. Everything we said afterwards was followed with laughter. We would laugh until we would hurt. My dear friend you are in a much better place now. No more sorrows no more pain. I will miss you dearly! Love you Jennifer (Also I will never forget our new names for one another: Jen and Ju) Love you also, Mike, Michael, Elizabeth I am so sorry for your loss.*
