“ Dear Memmaw Judy, I Love And Miss You So Much! Times Do Get Hard Without You, But I Learn To Deal With It Now, It Seems Like No One Talks About You Anymore, And When We Do We Start Crying. Ill Never Forget You. I Wish I Would Have Spent More Time With You . I Regret That Everyday. Everynight And Day I Think About You, A lot. You Mean Everything To Me. And No Doubt, I Will See You Again . But For You And Me Both I'm Gonna Have Fun In Life And Pray For Everyday Of Life To Be Worth It. You Made Me Realize That I Should Keep Myself Motivated And Strong And Not To Just Be Sad And Depressed When Your Not Here. I Love You So Much! And I Talk About You Everyday! . Love You!, Bethany =)

“ Dear Momma,
Today is May 18, 2010. You've been gone for over a year, now. And it seems like you only passed away yesterday. People tell me it will get better with time. But it seems like nobody knows how much how much you meant to your only child. You where my best friend, and someone that I could go to about anything.
There are those who think they have a better understanding of the relationship that we had. But I find they are really clueless.
I'll miss you forever.
But now I have to work on letting go of the grief that others have placed on me since your passing. And I'm going to do that peacefully, the way you would want me to.
Love you forever & always.
Your daughter, Lora
