“ My thoughts and prayers go out to Jenny, Amy, Betsy, Kim, David and all who knew and loved Judy. I have loads of memories from my childhood that are full of Judy. She put up with all of us kids running in and out of her house. So many weekends were spent at the Koreck house for slumber parties. Thanks Judy for being such a great role model to all of us girls and the wonderful memories.

“ I am so sorry that I can not be with you today, but I am ill. I have you all in my prayers and thoughts and know you will all miss Judy's sparkling personality. She was such a joy and a large void will remain with you. The comforting factor is that she is not suffering now, but those who will miss her are. I can only pray that time will lessen your pain and that you can find peace in knowing how fortunate everyone was to share their life with her. Love, Becki Masden

“ Dear Amy and Family,
May the comfort of God help you during this difficult time. We are thinking of you during this difficult time. Words seem inadequate to express the sadness we feel. Although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer. You have the deepest sympathies on the death of your mother. I am so sorry for your loss, My thoughts are with you and your family.

“ My heart is heavily weighed down with sadness for the loss of such a beautiful, talented, courageous woman. She was not only like a mother to me, but she was also my friend. A friend who I have many wonderful memories of that I will forever hold close to my heart. I will add some lyrics to a song that came to me right before I slept last night...

*Did I ever tell you your my hero?
Your everything wish I could be
I could fly higher than an eagle
For you are the wind beneath my wings.*

Judy Ann was and is my hero. I hope and pray I can make an impression on someone's heart the way she has made on mine. She is gone, but she will never be forgot. Always and Forever in my heart, as well as in the hearts of many others.

“ Amy, You are in our prayers. I am so sorry to hear about your mom. I can remember staying the night with you and your mom being so sweet to me. I also remember when we wrecked her car into a telephone pole! She didn't even yell at us! Take care and I will see you Sunday.

“ I've known Judy for about 10 years now, through her daughter Amy who is a dear friend of mine. Judy was like a light in a dark forest. Like a rainbow after the rain. She was such a happy, loving and giving mother and grandmother. I have admired her since the first day I met her. She will be missed so much. And she will always have a special place in my heart as everything a mother should be. As the person she was. Judy.
My condolences and prayers go out to the Koreck family as they journey forward into the future with heavy hearts but with the lovely memories of such a special woman.
I feel privileged to have known Judy. She was a blessing to everyone she touched. Rest in peace dear Judy. We love you.
