“ Miss Karen was an "adopted Aunt" in our family, as she called herself :) I will always remember the cute nickname she called my twin sister and I, "baby girl". Karen's clown name was "Goody Two Shoes" she was so cute and funny. She inspired us to be clowns too! Our clown names were Sniffles and Snickers. She was such a special part of our lives. She was always there for the sad times such as a loss of a loved one or major surgery, and happy times such as weddings, anniversaries and births! Miss Karen was a dear person that will be greatly missed. Our condolences go out to her family. May God comfort you at this time.

Love, Vanessa Scott and family

“ Karen has been a dear friend since I was thirteen years old. She has grown to be more like the sister I never had. It was Karen that introduced my husband and I and she was very proud of that fact. She loved my family like they were her own. We have a lot of great memories. She'll be greatly missed.

Love to her family,

“ Sharon and I were very sorry to hear of Karen's passing. We were both neighbors, fellow church members at Grace Baptist and I went through elementary school and graduated from high school with Karen. She was a friend, a kind and gentle person. We will remember her always. Our prayers are that her family will be comforted. God bless you all.

“ I still cannot believe Karen has passed on. I just talked to her last week and she was looking forward to her upcoming retirement from Jewish in 2014. Karen was a very special person and friend and if you knew her you had to love her. She didn't have a shy bone in her body she was so full of love and life. I first met her in 1978 when I started working at Jewish and she was one of my trainers. We have remained friends throughout the years. I loved it when she dressed as "Goody Two Shoes" the clown, she was so cute and loved making others happy. I know she loved her family, her church and that she is with God. I could go on and on about Karen because she truly was a good person. I know people say this a lot when someone passes, but Karen really was a great person. I will miss her dearly and hope to see her in heaven again one day. In the meanwhile I do think we are all better people for having known her. She was just herself, would do anything for anyone and I feel so sad that she is no longer here on earth with us. I love you Karen and I will always cherish our friendship. See you in heaven. God Bless you always. Rest In Peace

“ I am so sorry to hear the world has lost Karen's beautiful personality. I feel very fortunate to have known her and so glad I got to catch up with her a few years ago at one of the Butler reunions. My deepest sympathies to her family.
