“ Dear Bill and Family,
I did not know you and Karen well, but I am a Waffle House regular as well. I would see you all there on Sundays, usually surrounded by family. It was obvious that Karen adored her family and her family adored her. She always seemed like such a true lady and had a smile on her face. She will be greatly missed by all who came into contact with her.

Tonight I am remembering the many laughs we had at the card table, the cookies she made that were truly world class and of course the frog or 3 that decorated the house.
