“ *I have known you since we were children and have many memories of those days. I enjoyed the time we spent working on VBS in recent years and the hours long conversations where we solved all the world problems. I hope you are having a wonderful reunion in heaven with all your family. Love you.*

I remember us hanging out and talking about your favorite band who you got to see in person. Paul Revere and the Raiders. We had lots of fun times. May you fly high with the angels in God's Living Care. Love you

“ Karen was a great Christian lady and dear friend. She knew I took great care of Steven and will continue to do so. She has helped me out many times with food as well as Steven and I. She was an inspiration to my sobriety, which is going on 6 years. Karen, Eternal rest grant onto her Lord and let the perpetual light shine upon her. Watch over us from heaven.
