“ *Tank and Nicole:*

I worked with Kitty for several years at Franciscan Health Care. She was always good for a smile and her own special laugh! I thought of her as a good friend although we have not been in contact for several years. I ran into her and Tank in Leitchfield about 2 years ago and never knew she was sick. I promised we would get together as we spend lots of weekends in summer at Nolin Lake. Regretfully, this never came to pass.

Kitty - lots of love and peace being sent your way! Lori

“ *To the walker family, it's been so long since we've seen each other, but I remember Kitty from the times we all had dinner at the Walker house, she was always smiling and full of laughter. I will remember her that way always. You are all in my thoughts and my prayers, and forever in my heart. My deepest love and sympathy to you all at this difficult time.*

“ I have some sweet memories of growing up with Kitty and Cully - especially at Aunt Dorothy Mae and Uncle Austin's home. Kitty was always the cutest little thing with a sparkle in her eye.

My prayers are with her family.

*Love,
Jackie*

“ We send our condolences to all of Kitty's family and friends. We work with Jo Ann Skees and our family met Kitty at the hospital just a few months ago. Even though she was so sick when we met her she was full of kindness and grace. We are praying for you all.

“ *Family of Kitty Lynn, oh what a time I have had in earlier years with her. In our younger years she and I were tight! My heart aches that she has passed but I know she is in her eternal home with her sweet Courtney. Prayers for her family*
