“ I am so sorry for your loss. My father is an patient at Emeritus also and I so enjoyed sitting in the hall talking with your Mother- I found her to be such a joy and we had many many conversations. Miss Kathleen as I called her reminded me of my grandmother whom I lost last year and we would just chatter. I became very attached to her as she was the same every day. Pleasant, happy and full of news. I just wanted to let you know what a joy she was to me and to offer my deepest sympathies. You shall all be in my prayers.
