“ I am sure that Kitty will be missed by all who knew her. I first met her as a next door neighbor when I was only 5 or 6 years old. I thought that she was one of the prettiest women I had ever seen. I recall her working at Liberty Drugs and she bought for me this amazing cut-out book of Cinderella and lots of ice cream. I have nothing but fond memories of her. She treated me like her own little sister and I will always be grateful for the time we had together. Lastly, I thank her for blessing me with a very special niece. Karen is the greatest gift she could have ever given me.
