“ *John, Michael & Dottie, Kay fought a good fight, but now her pain and suffering is over. She was blessed to have each of you that provided her the love, and care that she needed. She is now living in Glory Land with God and her other family members that have passed that way before her. Cherish her memories, love and take care of one another. Our thoughts and prayers are with all of you. We love you! Don, Martha, Mom and Family*
