Kathy - what a wonderful, fun-loving, genuine person! All who met you loved you. Your contagious smile and carefree spirit will be missed. I only wish our schedules, busy lifestyles and the distance between us hadn't kept us apart. That is my loss and my regret.

I have nothing but great memories of you - thank you! Whenever I think of "Kit-Kat" - I smile.

I consider myself fortunate to have witnessed your beauty and genuine love for life!

My thoughts and prayers go out to your family and friends as they adjust to life without you. Thanks for providing such wonderful memories!

*With love,
Cousin Carol*
