“ Oh Kathleen, what a special person you were. I can remember when I first learned to climb on those stools in Dixie Bowl's snackbar, and you would tell me, "Young lady, do not spin on those stools or I will go get your daddy." That was in the early 70's. I will never forget the story you told me about my Aunt Dotty, who had breakfast with you almost every early morning, when she was pregnant and you had no idea she was until the week before she had her baby. You loved my daddy and Uncle Dayton dearly, and was so protective of our family. I can guarantee that "Uncle" Jesse was right there to lead you through those pearly gates. And together, you are once again.

No one here will ever forget you. We love you.

“ So sorry to hear of Kathleen’s passing. I first met her in 1984 while working for a food distributor to the restaurant she managed. Later this fortune 50 Corporation honored Kathleen on a national level for her incredible tenure and service to the restaurant industry. Kathleen’s enormous loyalty to her employer and the guest she proudly served was always evident. Her work ethic was also incredible. She will be so missed by the abundant friends she made thru the years. Kathleen was truly a wonderful person. Prayers for all her family.
