“ I’m so sorry just seeing this Kathy. We had great times together back in the day. We met at a Salon on outer loop you turned my hair grey and said come back the next day and you would fix it. I said oh no girl your going to have to fix this now and you did a great job and we became great friends for years. So sorry we lost contact for a good while. I’m so glad we reconnected on FB and I got to see you at the Infusion center one last time. I love you girl go rest high my friend. To all of Kathy’s Family and Friends please except my condolences and prayers.
