“ I was sorry to hear of Kathy's death. I recognized her name in the paper. I may be wrong but I think Kathy and I were in school together at Stonestreet Elementary and Jesse Stuart. I lived on East Pages and I remember her house on Old Third Street. We also rode the same bus. I moved to Brandenburg in 1968 but thought of her many times when I drove down Old Third Street, even as much as late as the last few months. Some people leave a lasting impression and Kathy left one with me. My thoughts and prayers are with each of you at this time.
