“ *My deepest wishes to your family in this time of grieving. Kayla, you were such a beautiful girl! I remember having class together for a few years in elementary school and going ice skating with you. I hope that you have found peace and that you are kept safe. “ *So sorry for all of your loss. Ma Fran sorry I couldn't be there for you and for Kayla. I can't stop crying I'm in shock . I know he has a reason and this one is so she could be with her mom and dad. I know we didn't get enough time though. I love you and please try and stay strong . Luttrell family*
