

Keegan Patrick Lee Glenn

December 29, 1979 - May 29, 2020

Keegan Patrick Lee Glenn was born in Anchorage, Alaska on December 29, 1979. He left this world on May 29, 2020, in Louisville, Kentucky, following a brief illness.

Keegan has been described as a "kind-hearted artistic inventor and fixer." He loved to help others; it was his greatest pleasure in life. Others have described Keegan as a "ray of sunshine" and a "prince among men" who, though not boisterous, had a larger-than-life impact on people. He had helped family, and friends who he considered family, move across the country multiple times. It was his style to slip some cash to someone in need, never expecting recognition or anything in return. When you walked away from first meeting Keegan, you knew you had just crossed paths with a good guy. People loved him and he delighted in expressing his love to others.

Most recently Keegan worked as a carpenter, helping people create and improve living and working spaces. Before that he worked as a firefighter and paramedic with Anchorage and Harrods Creek Fire Departments, serving the Louisville community and taking pride in providing the best care possible to everyone he came in contact with.

Keegan was preceded in death by his mother Kathleen Marie Harrison, father Curt Lee, grandmothers Dolores Jean Harrison, Betty Gene Glenn and Lucille

Lee, and grandfather Raymond Lee.

Keegan is survived by his wife, Emily Dickinson Glenn, sons Cassian Rhys Glenn and Deacon Kristopher Glenn, siblings Katie Jene Glenn and Kristopher Robert Glenn, father Benjamin Lyon Glenn, grandfather Robert Paul Harrison, best friend Daniel Robert Drossman, and numerous aunts, uncles, cousins, nephews, nieces, extended family members, and friends.

Cremation was chosen, per Keegan's wishes. His ashes will be scattered at Yellowstone National Park and at Wik Lake in Alaska, as well other parts unknown. His family and friends will celebrate his life at a later time. In Keegan's memory, please be kind to someone, go out of your way to help someone, and make someone laugh.

“ *Devilish smile, charming and funny as heck. He helped produce, direct and star in a home video parody of a Bow-Flex commercial when he was in high school and the memory still makes me bust out and laugh. He was part of a tight knit group of friends that loved him in high school and beyond. He will always be in my heart. My condolences to his family and friends in Louisville, his sister in Alaska , his family in Oregon and the Oregon contingency of forever friends who were lucky enough to cross his path and feel the pure joy of his laughter and love..*
