“ I would like to extend my deepest sympathy to you Theresa and all your family, & all Keith's family. Even though you and I have not been in touch over the years directly, it seems that the bonds formed in our youth when we the Walsh's from Grimsby Ontario met you the Zoeller's from Louiville at Cana Colony, near Combermere Ontario still remain intact for me, and I feel some of the pain of your loss.

You are all in my prayers. In peace and love Theresa Takacs (nee Walsh)

“ Teresa and family,  
My heart goes out to you in your grief. I first met Keith during Renew. His spirit touched me then and was always there in quiet strength whenever I saw him or ran into him. He was a special guy.
