“ *My name is Brandi, This absolutely breaks my heart. I have become so close to some of these people that come into the pharmacy. This one hurts. He reminds me of my dad in so many ways. Mr. Owens was always so nice and patient when he came in. I will miss seeing him. RIP sir. Your presence will be missed by your friends at Kroger Pharmacy.*

“ My names will and I work at Kroger pharmacy, I didn't know a lot about Mr.owens but I'm glad I got to see him and know him for the time I did, me and him would always laugh and cut up everytime he came in. He was always so full of joy. I lost my pawpaw back in January and I remember telling him about it and I remember telling him about how much he reminded me of my pawpaw and that brought him so much joy.
