“ Reverend Studebaker taught me so much and I had wished to see him at my next graduation. I am so glad that the Lord brought us together and I thank God for his devotion to so many in the Christian faith! We will meet again in glory. I pray for comfort for Gloria and the family!

“ I have been truly blessed to be able to study God's word with Keith 2x a week for the last several years. Iron sharpens iron and I surely have a better understanding of God's Word because of the time we shared together. He will be missed by so many here at Spencer Christian Church.

I have only been with SSL for less than a year, but Keith was one of the first people that made an impact on me. He was so kind, inviting, and affirming in my interactions with him. What a blessing I know that he was to the kingdom of God. I have been blessed to cross his path. I am so very sorry for your loss.

“ Reverend Studebaker was a great man to have raised up such a wonderful and beautiful family into this world. I know him through his daughter Rebecca. She and her sisters and brothers are wonderful human beings. Rev. Studebaker was instrumental in creating those beautiful people. That is a testament to him and the legacy that he leaves to this world and of his stay with us. May they all know peace and recall in themselves the light of his memory and love.

“ *My life was and is forever changed because of the time and love Keith poured out on me when I first came to know Jesus. The entire Studebaker family is a true blessing and gift from the Lord. I have not seen Keith in many years, but often thought of him. The memories are many and deep with appreciation of the gift he is. I will miss him plenty, but I will also anticipate with the delight the moment of our reunion in the full presence of our Heavenly Father.*

We were so sorry to hear of Keith's passing. It has been several years since we last saw him. He was a man of God and was used mightily. May God give the family peace and comfort in the future and know that we will all be reunited with Him in heaven one day. God Bless, Art & Edie Barrett

“Gloria, Debby and I will forever cherish the hours spent with you and Keith and the wisdom that you both shared to guide us through some painful times to a deeper understanding of God's grace and how it works in our lives. Though time and distance have come between us you are still very special in our lives. My prayers for you and your great family as you enter a new phase of the journey. May God provide the comfort that you need; the wisdom that you seek; His peace that surpasses comprehension; the strength for the next step; and the ongoing awareness of His daily presence! Love to the family!”

Six years ago, I was a new faculty member at Indiana Wesleyan University. Keith's ever-present smile and wise cracking jokes often helped to put me at ease in a sea of unfamiliar faces and surroundings. Although I did not know Keith well, his life impacted mine in ways that I will always treasure. I am grateful that our paths crossed in this life. I am praying for comfort for his family, friends and all who knew and loved him.

“ We were so sorry to hear of Keith's passing. Keith has been a friend of our family for over 30 years. When my parents had to relocate to KY due to my mother's poor health, Keith quickly made a point of connecting with my father, meeting him for meals and conversation and talking with him on the phone periodically to encourage and support. When I became DS, Keith quickly offered his support and assistance in any way possible. He taught several Educational Advancement classes for our District and was always a valued and appreciated professor. He would go above and beyond what was asked and serve with excellence. He had a brilliant mind, a congenial personality and a servant heart. Our prayers are with his family. When we all get to Heaven, what a day of rejoicing that will be!

“ *I was so sorry to hear of Keith's passing. I have fond memories of working with him when he would come to IWU's Cincinnati Education Center. Such a warm, genial smile! My heartfelt condolences to his family and all those who loved him. Sue Newton*

“ Uncle Keith was always so loving to me and my family... he always made a point to sit and have a chat when we were together... which unfortunately was not very often... but as luck would have it about once a year I got to see and hug him and joke around... he was one of the first family members to support my Herbalife business without me having to ask... he opened his home to me when I was on a business trip to Ky...i will never forget how special he made me feel...he made a point to drop everything and spend time with me and made sure we had a family lunch before I left to go home... I will miss his laugh and his goofy faces, his humor was unique and intelligent, but most of all I will miss a certain smile my dad would get on his face whenever they were together, talking and cutting up... love you Uncle Keith... you will be sorely missed
