“ We were so shocked and saddened when we read the news about Kelcy in the paper. It brought back all the fond memories of Story Station, Luhr, her staying at our house, and visiting your house. I remember her being insecure and apprehensive about different things. I'm sure she will no longer have those worries with a special home that she now has in heaven. We will keep you in our prayers. I cannot imagine the loss you must feel. We so enjoyed the time we got to spend with Kelcy. Patricia will be a senior at Bellarmine this year in Elementary Education. I'm sure the time she spend with you and Kelcy at Luhr had an impact on her deciding this as a career. With many prayers as you and your family try to go on with your life during this difficult time.
