“ Being your neighbors for quite a few years, We've all seen you grow to a truly responsible young man who loved to help others. Yes... you are missed, buddy. Oh boy. Seemed so often when you and I met to talk, you stretched out your arms for a hug. A heart... yes, you had... AND... still have one. The one God gave you will keep giving lots of love. People like you in this world makes a difference with others. Great man you have been, and still are. We'll continue your ways, showing your loving, giving heart. Funny... one more thing... an instinctive or repeated thing I wanted to do, just today as I was cooking some burgers and brats in my back yard... I was wanting to offer you one,... oh boy. Yes, I do miss you buddy. We all do. Live on Kindall, I'll keep doing what you started.
