“ *May God be with you all. Barbara was a classmate and friend a very kind and gentle girl so I know she was a caring and loving mother as is her mother. So much tragedy in such a short time-hold on to one another and precious memories and God will help you through. You are in my thoughts and prayers, Beverly Mann Sagrecy Springfield*

“ *I am so very sorry for your loss. I remember Barbara Nell from when I was little and her singing in 4-H. My mom played the piano for her group to sing. I know you will miss both of them always, but I hope good memories of times past will console you thru your grief. My prayers are with all of you. God Bless. “ Immence sadness and shock fill me, I do my best to recall the smiles and moments shared with them, and then tears fill my eyes.

Missy, Jordan and Amanda, I pray for your healing, i wish there was more i could say or do to help through this rough time. I am thankful you have each other and your grandmother and remember you do have family and friends that will listen.
