“ Kenny was a dear friend of mine and will always remain in my heart. I went to church with him back at Campbell and also High school he became my best friend. He escorted me to my Senior Prom and I will never forget the gentleman he was. His Smile will carry me through any sad times. You will be truly missed and love. Sending my love to his mom and sisters.

“ My memories of Kenneth bring a smile to my face. One of the most respectful young people I knew. Sadly, I have found that everything happens for a reason. My prayers are with Lisa and family.

“ Though you don't know me, we have much in common. I lost my son in a motorcycle accident on April 16, 2010, less than 2 weeks ago. He was 36. Please accept my deepest sympathy on your loss. I know what you are feeling because I am in that moment now. I have 3 good friends who have lost their sons tragically and they tell me that you must take the day one minute at a time. Eventually it will be one day at a time but never better than that. Treasure the many good memories you must have and keep him in your heart with song and prayer. May God bless you and your family. Sincerely
