“ Kenny and I went to Parkland Junior High together. We had a lot of fun playing basketball at St. George gym back then. The last time I saw Kenny was at a derby event four years ago and he had not changed one bit from our younger years. Still a great guy. He will be missed. Rest in peace old friend. Gerald Clark

“ Worked with Kenny for many years. We could have discussions about things we maybe could not have had with just anyone. Always keeping it real and always a pleasure to work with. RIP brother and prayers to all of the family.
