“ Dear Conard Family,

*I am so very sorry about the passing of your faithful, kind, loving, admirable patriarch. I never had the privilege of meeting Ken, but I feel I know him, because of the light that shines through Bobby. I grew up with Janice. The two of them have been such incredibly kind, interested, friendly, fun, welcoming friends to myself and my 20 year old son.*

*I have pictures of Bobby playing Thomas the Tank Engine with him, when Sam was just three years old. I remember Bobby making sushi, apple pie, watermelon granita, any number of amazing meals and treats for us, over the years. We have had fun playing Baby Dinosaur, Frisbee golf, Apples to Apples, Qwirkle, watching Game of Thrones, & gathering rock to build their rock path... We've shared so many meaningful activities with them.*

*All the while, they have been constantly, thoughtfully, conscientiously caring, loving, supporting...*

*I know much of the amazingness I describe was learned from all of you. For that, I am incredibly grateful.*

*Even though you don't know me. I want you to know you have had a positive impact on my life & on the life of my son. And, I am just one person. I know a multitude people's lives are better, because Ken Conard lived. His positive impact on this world is exponential and growing, still.*

*With Deepest Condolences,  
Mary Maddux*
