“ Kevin was a person who wore many titles. He was a wonderful son I'm sure. He was a great brother, a best friend and an awesome uncle. He will be missed by many, but more than that he'll be remembered by all.

“ I worked with Kevin briefly several years ago in the DAS Sustaining Engineering group at UPS. I was sad to hear about his passing. Kevin was a great colleague to work with and his jovial spirit and positive attitude will certainly be missed. Every time we talked, Kevin always had a smile on his face... I appreciate the opportunity I had to know and work with Kevin.

Sincerely,
James R. Skaggs - UPS
