Kevin was an outstanding former student, professional, and personal friend. We spoke many times over this past year as a relief to his fight with cancer. The last time we spoke was 2 weeks before he left us. We talked for 4 hours. Little did I realize the gift he gave me. We love you Kevin. You made a difference in many of our lives. I am sad I missed his memorial having had my knee replaced just a couple days prior to the service. Thank you for having been in my life Kevin.
