“ Kim will forever and always remain a best friend, sister, and part of my life. We keep each other strong when we needed that reassurance. Her beautiful smile and contagious laughter will always be missed. I had just gotten back in touch with Kim on August 16, 2011 after losing touch for almost 2yrs. How her life had changed!!! Her spirit was so bright and happy, and her confidence was beautifully soaring!!! I told her over and over of how happy for her i was and how proud! We were supposed to meet soon, as i have relocated to Indiana. We never Got that chance. Just one more hug, one more visual of her smile, to hear her laugh would ease this pain I'm feeling right now, for they all would've been truly firsts of Kim's newfound happiness. Kim, i miss u so much! Love you always Sis, Bestie....my Inspiration!
