“ *Sending heartfelt condolences to the Johnson family and to her YMCA work family. I was about to get to know Kristen better in the coming weeks with my little one graduating to join her room, BBN at the Y. Kristen smiled often and spread joy and kindness to those around her. She will be missed. Thank you Kristen for the love and care you gave to the children and the families of those children each day.*

“ *Krissy was very special, one of a kind person. Always thinking of others. Simple, down to earth kind of girl. Never wanting to put herself before anyone. Lifting Chris, Sandy, Joey & all the family up in prayer. May you all find your comfort in our Lord & the memories you hold so close to your heart of Krissy. FOREVER REST IN PEACE BABY GIRL* 💜

“ When Kristen first came to work for the Y, I got a wonderful assistant in BBN. She was so organized and the kids loved her immediately. She was an amazing worker, whom I could depend on always. When I moved to another class, it was an easy transition because I knew she would be an amazing lead teacher in BBN. Kristen was a wonderful person and teacher who will be missed a lot! We are all just still shaking our heads in disbelief that she's gone. Until we meet again Kristen 🙏
