“ Our deepest sympathy to Donna and the entire Vincent Family. I was stationed with Vince at Barstow, California in the Marine Corps in 1965. I considered him a good friend and we have kept in contact ever since. I will always cherish his memory and the good times we shared.

“ Donna and all,
I am so sad for your loss. He was such a wonderful, funny, loving person. He was Dad's best friend, and more like a brother than a cousin to him. He was so good to Mom after Dad died, and she knew she could count on him for anything she needed. Please know that he will be so greatly missed.
Love, Teresa

“ My heart goes out to all of you. I know what a shock like this is like. I will always remember Lama and Dad joking and laughing with each other and how he kept in touch and visited Mom. May God comfort you through the many days to come. I love all of you.

“ We may not understand why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that You Lived. And that your life gave us memories too special to forget.

Good-bye friend,
