“ My deepest sympathy to Betty and her children and family at this time. Betty and I grew up together in West Point although I have been gone for nearly 40 years. Although I didn't really know Larry I always heard very good comments about him and to say that he and Betty were together for 42 years only makes those good comments ring truer. I am so sorry for your loss but know that your memories will keep your loved one alive in your heart forever. Those memories will give you great comfort in the months and years to come.
