“ Matt, I'm so sorry to hear about your father's death. With the loss of a loved one I don't ever find much comfort in words, but I do find some in those who simply express their care so please know that you and you're family are in our thoughts and prayers. I can onlhy hope that your past memories can help bring you through this very difficult time and comfort your heart as it aches.

*Thinking of you and you're family,
Joslyn*

“ Matt - My heart goes out to you and your family due to this terrible tragedy. You come across as a military man because of your upbeat perspective can do attitude. I now know where that came from. I never met your father but certainly would have liked to. It is obvious his life positively influenced you and likely many others. I am sorry for your loss.

“ Matt - We were shocked and saddened to hear the news about your father. While I can't know just how you feel I can tell you that after my father passed away suddenly some years ago the hurt was great; however, over time the pain faded but the fond memories remained.
Chris and I would like you to know that you and Emily and your family are in our thoughts and prayers.
