“ My deepest sympathy to you on the loss of dear Larry. I shall never forget him and in many ways he was a member of my family having worked with my mother for many decades.

Every time I visited my beautiful Kentucky home, Larry showed me pictures of his grandchildren. He so loved Dane and Avalon telling me how smart they are and of course, how beautiful they are. He told me the next time he visited he was going to take them to see a movie. Those kids were like the sunshine of life to him.

Bristy and Marvin through Larry sharing pictures of you two through the years I came to know you. He was so proud of both of you! Linda, I only met you once. You would be surprised to know how often Larry spoke of you. He truly loved all of you and all of you brought joy to his life.

Hugs and love to all of Larry's family. I shall miss him too.
