“ *"A little among neighbors is worth more than riches in a wilderness. A good neighbor-a found treasure. The good neighbor looks beyond the external accidents and discerns those inner qualities that make all men human and, therefore, brothers. Martin Luther King Jr." Larry was a wonderful neighbor and will be missed dearly. If we needed to borrow anything the answer was always yes. We would joke and banter. Many times he made vegetable soup and sent it over to us. Larry and Terry would often talk about their gardens. Terry would always take over the yellow tomatoes for Larry which were his favorites. Larry was not only a neighbor but a dear friend. Thank you Larry for all the wonderful memories. We miss you already. Patricia and Terry Snodgress.*
