“ Larry was always such a "gentle" teaser lol, he would tease me about something but in such a nice way, like he would go out of his way to make sure you knew he was just teasing and didn't want to hurt my feelings. He has always been one to show up for everyone, even at times when his own struggles should have kept him down. And of course he did an amazing job of carrying on Uncle Eddy's brownie recipe! My daughter could never keep all of my cousin's names straight. So after one of our last family reunions when Larry brought brownies (she only got to have that one time but still says they're the best she ever had) she dubbed him "Brownie Guy". God called home a gentle, caring soul!

“ How we met was through my brother and his sister that was freinds

We started talking and seeing each other this was in the summer of June 1978 and we dated for 2years and 6 months and we got married December 20,1980 and we have been together for 43 years and they was the best years that he gave me and gave me two sons and he always went above and beyond to make sure that his family was always taken care of and happy. He was a very loving and caring man and a wonderful dad. I think God for giving you to me and now took you from me and keeping you until we are together again. I will miss you so deeply each and everyday but I will never ever stop loving you. I love and miss you so much.

Love You

Your wife Betty

“ Well Larry I hate that you left, but you were kind of a walking miracle as there were times in the past you were so sick everyone thought you would not survive. He was a fighter! Him and I would joke and tease each other so much and I loved it. I know everyone in heaven welcomed you with open arms. Prayers to Betty, Joe and Leslie.
Love you all.
