She was known for her many hobbies and enjoyments including crocheting, making and decorating cakes, fishing, staying at her cabin on the farm, driving 4 wheelers and her favorite her golf cart. For those who got a chance to laugh with Laura knows just how contagious her laugh was and how her presence could just fill the room. She was truly a person you could count on to have your back when life got rough. This world has lost a great sprint and many hearts broke when it was time for her to join those in heaven.
