Dear John:

I am sorry to hear of your mother's passing and for your loss. She was a wonderful woman who influenced my life in many ways, and I will continue to remember her fondly. Oddly, although it has been over 30 years, just this past month I thought of her, how well she baked, and of the cherry cream cheese pies that she made and served at the Ormsby Heights Valentine's banquet when we were teenagers. They're on my dessert menu for next Sunday's family dinner. As we enjoy it, my mother and sisters and I will recall those days and our thoughts and prayers will be with you and your family.

Sincerely,

Rhonda

“ John:

I was sorry to learn about your Mom passing away. She was a kind woman and although I haven't seen or talked to her in many years, I will always remember the influence she and your Dad had on the youth at church many years ago.

Three families gave so much of themselves to the youth during that time (your parents, Stiles, and Mastersons). I regret not letting them know how much I appreciate all they did for me.

Now, as a parent I truly appreciate so much more the time and effort they put into our lives.

My prayers are with you and your family.

“ *My heart-felt condolences to Johnny and family. My sincere sympathy to you in your time of sorrow.*

I will always have a special place in my heart for Aunt Lavon. She was the best aunt anyone could ever wish for. Her sweet smile was contagious, and I will miss her. We will see you soon Aunt Lavon in that wonderful place called heaven where all the Carey brothers and sisters are no longer waiting for their "little" sister.
