AM

There is so memories that I will always cherish. I was beyond thankful and blessed to have you as my Grandfather and Aubree great Grandfather. I watch you for 2 long yr. broken hearted and be lost. There wasn't anything that anyone could have done to mend or change how you was feeling. Until now. I know that the void that your heart had is now filled. I know that your smile is bigger than ever and I'm sure that its as if yall never missed a beat. Your not suffering or in pain anymore. Your whole again. Dancing the night away.. Pappy thank you for everything. Please kiss my Nanny for me and tell her I love her too. I miss you both so very much. Keep watching over all of us. If I was ever able to have one last time with you both. I would make sure you knew How much I loved you and cherished the time I was giving with you .. and for the both of you to know that you have always been my HERO!!
