“ Jeff Collins I worked with Larry at UPS in amdc ever since 1996. When he came to second shift he was assigned to be my partner at the aog desk and we worked together till I retired last fall. Larry was a great guy to work with. I could always depend on him. Now sometimes we might butt heads with each other like a couple of bulls but I knew he always was there to help me whether it was about work or stuff away from work. I will never forget him singing Christmas Carols in warehouse every December or all the cookouts and birthday parties he threw for the people on my shift. Larry we went on a great ride and had a heck of a run. Thanks for the memories. I will never forget you. You will be greatly missed.

“ I was good friends with Larry for 40 years and I'm so much better off for having known him. No one made me feel more loved. I have so many stories, I don't know where to start, but I loved his warm and sweet spiritual side and I loved his naughty and "profane." 40 years of confidences, hugs, meals, movies, deep talks for hours into the night. Larry, brother of my heart. I'll always love you and remember the things you taught me. I'll do my best to honor your memory.
