“ Karen, Michelle, John, grand kids, and family,

Words cannot express how truly sorry we are for your loss. Larry will be greatly missed and leaves us all with a heavy heart. Larry was one of my best friends and I will miss him greatly. I read somewhere that heaven is so beautiful that there are no words on earth to describe it. Larry knows now.

I have known Larry for a long time and have so many memories fishing trips to Kentucky Lake and Reelfoot Lake. OLC picnic, OLC bingo, cruises, trips to Vegas, weddings, and countless other times spent with family and friends.

The thing I will miss most about Larry is his big warm smile and his laugh.

One time Larry and I went fishing on the Ohio River. We put in at Greenwood Boat Ramp and went upriver close to McAlpine Dam. Larry was fishing with a heavy lead head jig due to strong current. When he made a cast the big heavy jig hit the side of my plastic boat windshield and put a good size crack in it. I still have that windshield. Some memories last a lifetime.

Miss ya, Love ya, See you later

“ *Larry was a great neighbor and friend of the Duffy family! Always genuine with a big smile whenever we got together. I have fond memories of him teaching me to fish, hunt and target shoot. A hard worker at Rainbow and then many weekend projects like building a brick patio, attic access, chopping trees and firewood. I know he will be missed and I send condolences to Karen and all his family!*
