“ *To (little) Larry's Family: We are very sorry for your loss. At times like this we don't always know what to say. Although our families may have grown apart over the years, it saddens me that we wait until times like this to keep contact with those we care about. The get togethers, whether they were happy or sad, always seemed to have some fun to them knowing Little Larry would always put a smile on someones face with a story or two to share. That will be greatly missed by ALL. Our Deepest Sympathies. Annette Garcia and family*

“ Jeanine, I was so sorry to hear about your husband, my prayers are with you and your family in this time. All your friends and co-workers feel your pain and share this with you because we consider you part of our family. We will help you thru this time when you return to work because we know you would do the same. That is what a family does. God Bless you and your family.

“ I'm trying to find the words to express my feelings and I can't. I've known Larry since our school days. Larry and I enlisted in the Navy together after high school and went through boot camp together. Larry has always been and always will be close to my heart, just like a brother. Although we lived so far apart and didn't talk much, he knew how I felt about him and he'll always be in my heart. I truly feel like I've lost a part of me.

“ We are going to truly miss one of the best "Keepers" out there. He was a blessing to all of us. I always felt kinship to him. I cannot find the words, no I am sorry the words do not exist, to say how truly sorry I am to lose Larry, for my dearest friend Jeanine, for Shileen and for the whole family.

All of our prayers and sympathy are with you. We love you and we wrap our hearts around you and may the Lord remain your constant companion.

I wish I could be there to hold you.

*Love,
