“ My heart pours out for the family. Mankind has lost a truly wonderful person and Heaven is much better now with Leon. I'm thankful for the last 19 years sitting next to Leon (and Shirley) at UofL Football games. He treated me and my family as his own. I already miss him so much. I know Leon is so happy right now to be back with Shirley. I can see that great smile on his face. My thoughts and prayers are with the Dunn Family. God Bless You.

*With Deepest Sympathy, Tom*

*My parents thought the world of you and your family. Thanks for the kind words and your compassion through his final years. He always enjoyed hearing from you and going to lunches.*
