“ Phillip, Sherri, and Family... I really don't know what to say, but I know this is a very hard time for your families. Our Dads looked so much alike it was almost eerie as a young child. All the younger ones used to get them mixed up. Your Dad was a very good man. And you should be proud of him and I know he will be dearly missed. Please know that you are all in my thoughts and prayers. God Bless...

“ Phil, So sorry to read of your dad's passing. Just saw it in the paper. Too late to come to the visitation. Brian's wife and our 2 grandsons have been here visiting from Florida and I just got a chance to look at the paper today. Our thoughts and prayers will be with you and your family. Love Ya!
