“ *Helen,*

*Just wanted to tell you that I am thinking of you today and will be with you in spirit!*

*Unfortunately, the weather report called for ice, not snow, and it was coming from Memphis. We were really afraid it would encoumpase the area we would have been traveling.*

*Hope you understand.*

*Keeping you in my prayers,*

*Love,*

*Linda*

*P.S. Spoke with Ann and she wishes for me to send you her sympathy!*

“Helen and Alan, All of us who knew Leona will feel the sadness of her loss for a long time, but most especially Helen. There is no other relationship like the one between a mother and her daughter. Please know that I am thinking of you and am keeping all in my thoughts and prayers. With deep sympathy, Kathy Taylor

“What a marvelous life your mom had and what a wonderful lady she was! I have so many memories of her as I was growing up and as an adult. I feel blessed to have known her. My thoughts and prayers are with you.
