“ Leroy & I went to Auburndale together before I moved in 49.did not see him again till preschool JV football practice at Manual, he was still great guy to be around. I had not been around Louisville for many years when out of the blue I get a call from Leroy saying that some old guys were getting to gather. Even thou yearly, I always looked forward to seeing him and his big smile and sharing his sense of humor. Appreciate him taking the time to call and include me in after so many years. Will miss him.
