“ *I still can't believe you're gone. Thank you for waiting for me. I knew you would. You were my best friend in the whole world. We kept each other's secrets. We held each other and shared tears. We shared happy times too. As long as I live I will speak your name. Love you forever*

“ *I remember taking her to the Hard Rock Cafe to see Maranda Lambert in concert during the month of October. It was for breast cancer awareness. She sat on a decked out pink Harley and smiled from ear to ear. Rest in peace with your mom.*
