PH

“ *Lil was the sweetest person and had a great sense of humor. We went on a trip to Washington DC and went for breakfast one morning and as we were going back upstairs there were white things on the floor. We couldn't figure out what they were so we assumed they were parts of the scrambled eggs we had eaten. Turns out they were from Lil shoes that she had gotten from her son years ago. We had a good laugh and we reminded her of it on occasion and she laughed like we knew she would. She was a great friend to my mother and to me. Love you Lil and hope you get to see all your family and friends in heaven.*
